# CoolitArt

"Heart in Art"

To celebrate "Inspire your Heart with Art" Day which falls on the 31st January we wanted to create artwork about what we have loved making and what we would love to make - what do you love about art?

Tools and Materials:

- Paper
- Paintbrush
- Pencil
- Watercolours
- Water

What do you love about Art - what have you enjoyed making? What would you like to make - start drawing and see where it takes you!

Once you are happy with it add some colour with the paint!

And there you have it your own "Heart in Art"

Here's another we made to inspire you
