

Mardi Gras Poster

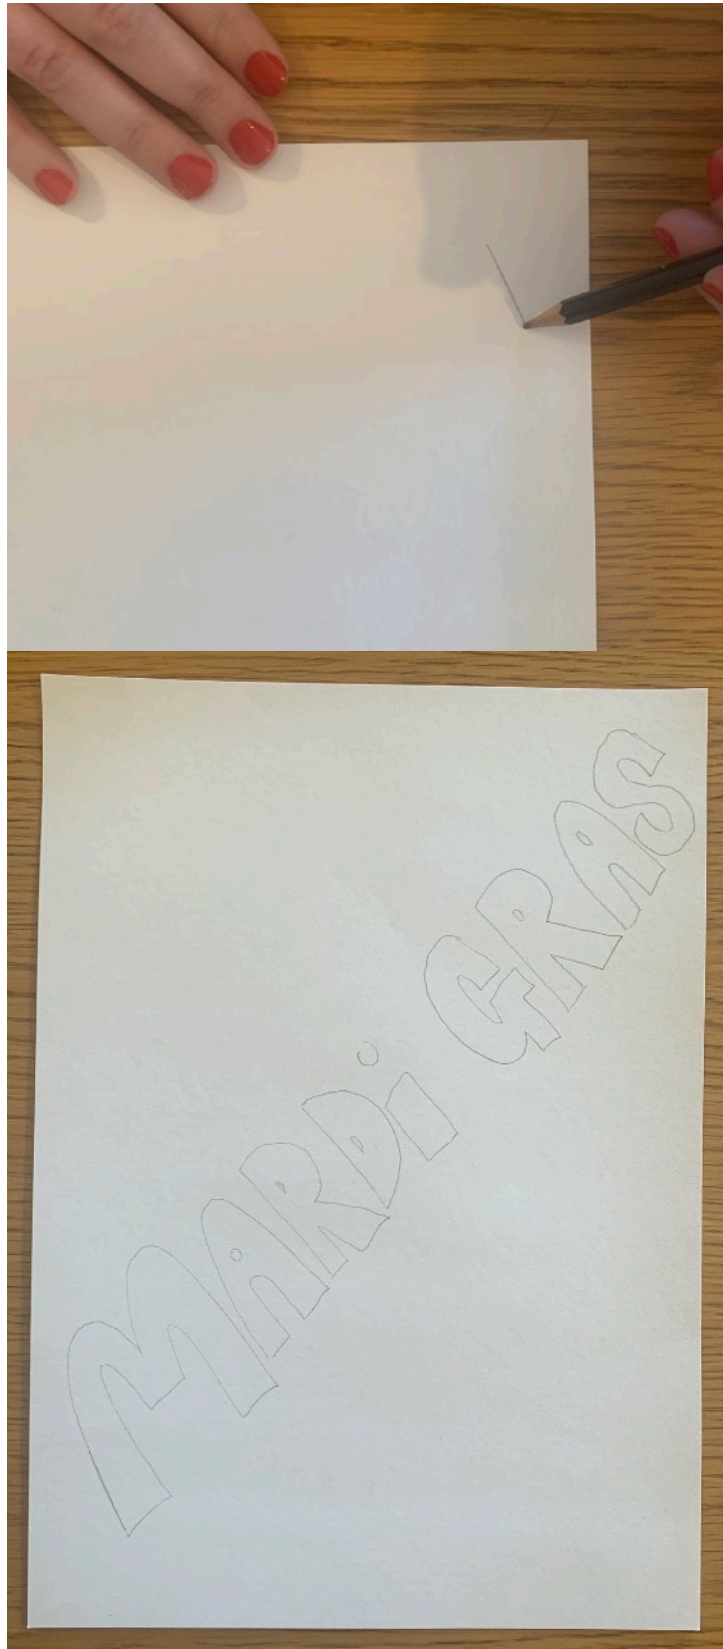

Inspired by “Mardi Gras”, “Shrove Tuesday” or even “Pancake Day” why not create your own party poster!

Tools and Materials:

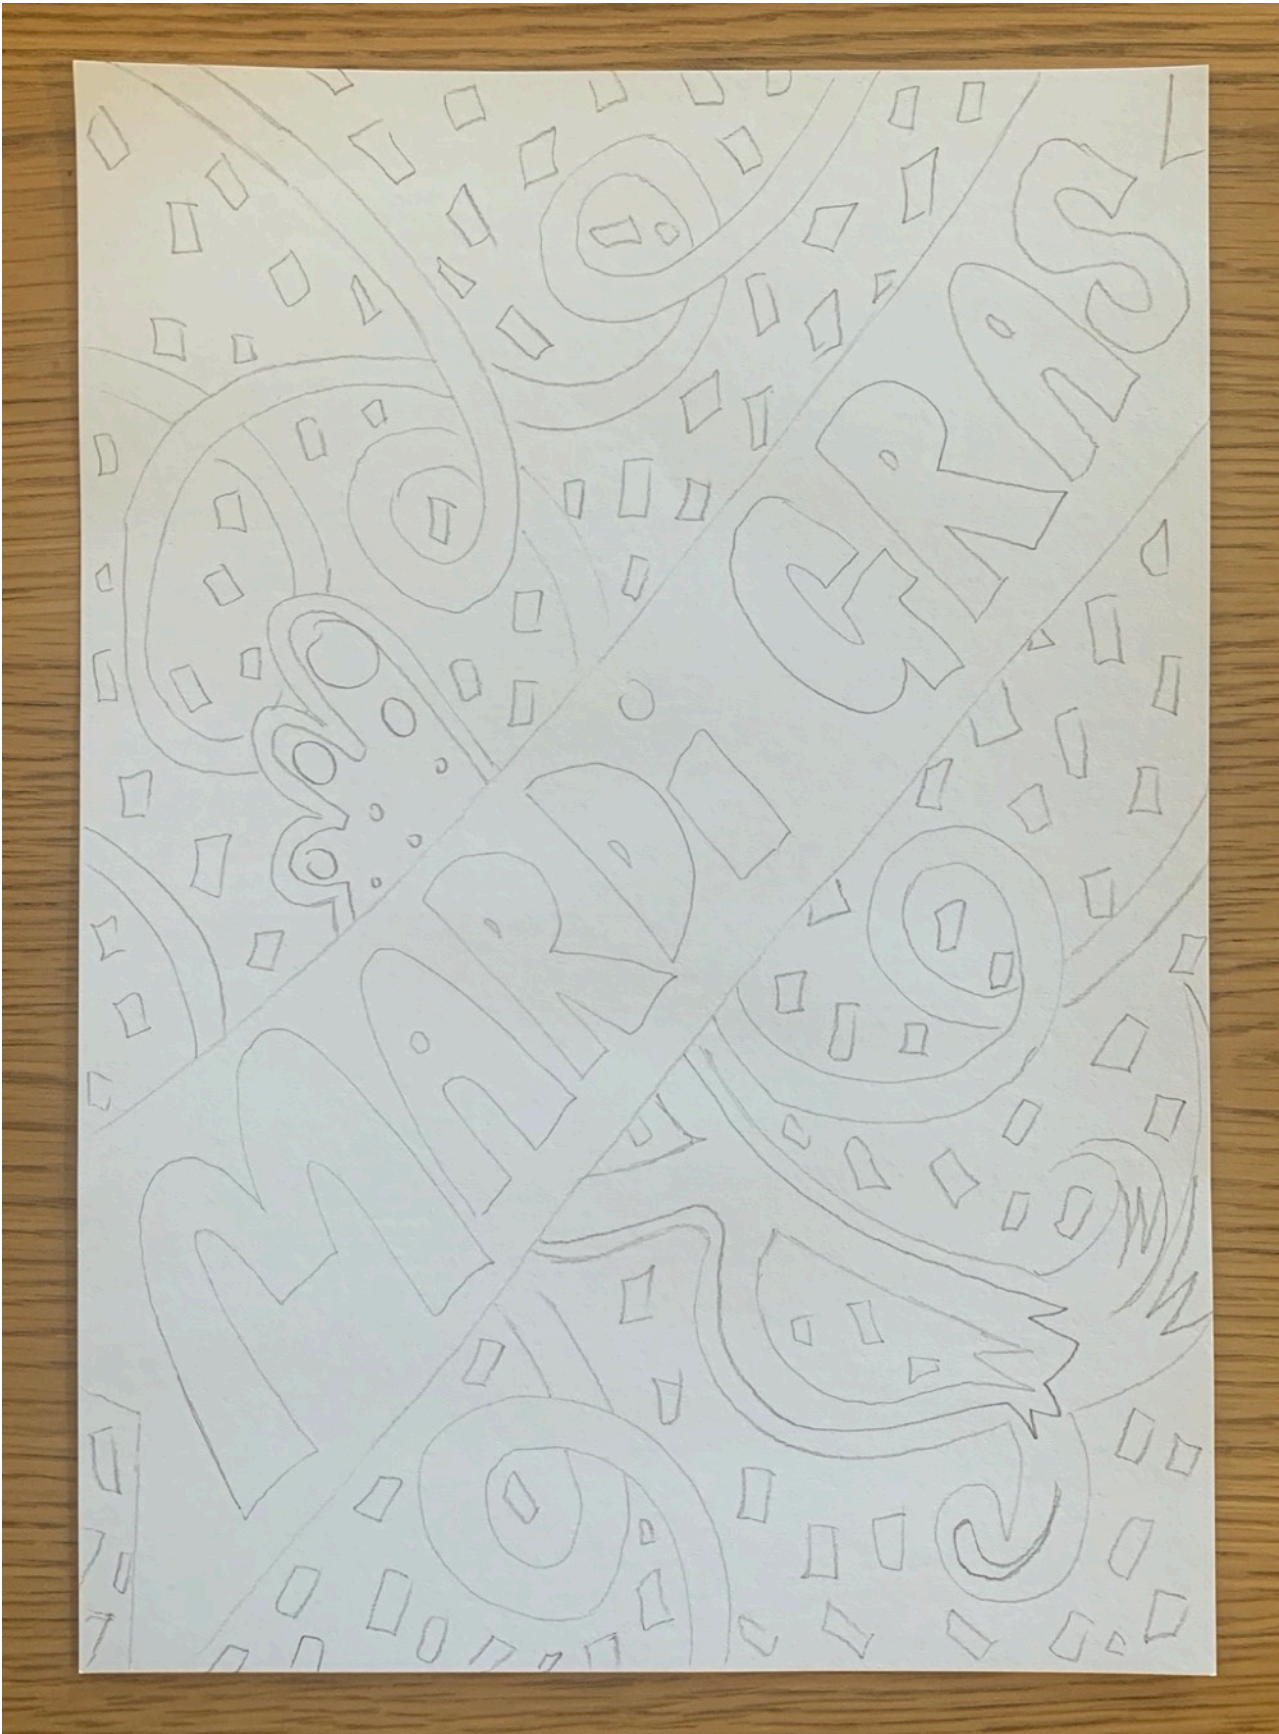

- Paper
- Pencil
- Felt Tips

So as we took inspiration from “Mardi Gras” which means “Fat Tuesday” using up all the rich foods before Lent - Mardi Gras is a massive party in New Orleans (in America) with colourful costumes and parades so we thought that would be fun to create a poster for! Sketch out where you want the words like so

And then think how you would draw a party? What about confetti and balloons - maybe some streamers? With a lot of the Mardi Gras parties masks are worn a bit like in “Venetian Balls” so that seemed a good idea to include

Once you are happy with your design you can colour it in - because it is a party poster we thought it would be good to colour the whole thing in to make it bright and vibrant!

There you have it your very own "Mardi Gras" Poster

Heres is another we made to inspire you!
